**Art and Political Thought in Bole Butake** Emmanuel Ngwang, Kenneth Usongo

Art and Political Thought in Bole Butake, through a pluralist critical approach, interrogates Butake's major creative works—*Lake God, And Palm Wine Will Flow, The Survivors, Shoes and Four Men in Arms, Dance of the Vampires* and *The Rape of Michelle*—mainly in terms of their political underpinnings and cultural signification. The intention is to place his drama within the socio-political matrix of Cameroon and demonstrate the topicality of the issues of governance, marginalization, and corruption in Cameroon or Africa that Butake consistently foregrounds in his creative works.
