From the author of *Celebrating a Christ-Centered Christmas* and *The Peter Potential* comes *Celebrating a Christ-Centered Easter*, a new book that focuses on seven different personal experiences with the Lord that took place just before and just after His suffering, sacrifice, and Resurrection. Each of the stories is a personal witness of Jesus' individualized ministry. In addition, the author invites us to participate in seven traditions that will help us have a greater understanding and deeper appreciation for the miracles that surround the celebration we call Easter.
