## **Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 3) Tracy Warrington**

Fractal cross stitch patterns are one of the hottest trends in cross stitch! All of the patterns in this book are the same size so making a matching set would be easy and an incredibly amazing project.

All stitches in each of the twelve patterns contain only full cross stitches. There are no blended stitches, fractional stitches or backstitching. The exquisite detail is created by utilizing lots of DMC colors and the end result is very well worth it.

Each pattern's stitch count is 113 x 201.

### Finished Sizes:

14 count (or 28 count over-two): 8.1 inches x 14.4 inches

16 count (or 32 count over-two): 7.1 inches x 12.6 inches

18 count: 6.3 inches x 11.2 inches

25 count (over-one): 4.6 inches x 8.1 inches

25 count (over-two): 9.1 inches x 16.1 inches

The number of DMC colors used varies from 31 to 100. Each pattern is accompanied by it's own "Shopping List" which lists all floss colors and an approximation of how many skeins you will need when multiples are needed.

A project planner page is included at the back of the book as well. The project planner helps you to decide what size fabric you need in addition to other preparations for your project.

#### **Omar Hinojosa:**

Is it an individual who having spare time and then spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 3) can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a geek activity. So what these ebooks have than the others?

#### **Edward Cooley:**

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Fractal Cross Stitch Patterns (StitchX Fractal Cross Stitch) (Volume 3) can make you feel more interested to read.
