2013 Readers' Favorite Contest Finalist-5 Stars. Readers' Favorite Review: "Her Final Gift" is written by Linda Dunlap Hulen. This book was created as a love story for all ages to read and enjoy. It is the story of the author's beloved parents and their true love at first sight relationship. It is adventurous and exciting with twists and turns that will leave you in a complete state of excitement to read more. It will shift the reader's emotions as often as the pages are turned. It is set in a time that was often filled with the hardships and obstacles that would test one's ability to move forward in life and prosper. It is a love story that begins right from the start, in a triangle. It tells of two young people trying to overcome any and all obstacles life throws at them while trying to raise their children and run a family operated business in a small town. Filled with raw emotion, true love, sorrow, grief, and happiness, the story will make the reader laugh, cry and experience heartache for the characters they read about. Filled with scripture and inspirational words, this book will fill readers with strength and faith in the Lord as they read about this young couple. "As I was reading and becoming engulfed in the story, I began to feel a sense of true compassion as if I was a character in the book itself. As it is filled with an overwhelming amount of raw emotion, I found myself stopping reading every now and then to regain my own composure. This story truly touched my heart. I am grateful to Linda Dunlap Hulen for sharing this magnificent story. Personal comment from reviewer: Knowing this story was based on the relationship and lives of your mother and father enhances its greatness that two loving, caring, hardworking, strong people lived the life you told. This story touched my heart and nearly broke it. I felt as if I was grieving for a person I had known for years. Thank you for sharing your family's story with the world." Michelle Robertson
