Introduction to Digital Photography (2nd Edition)

Joseph Ciaglia

Introduction to Digital Photography (2nd Edition) Joseph Ciaglia

Unique in approach, this is the first introduction to digital photography written *specifically* for beginning photographers. Using a *photographer's* perspective, it shows users how digital photography relates to traditional photography, how it can improve traditional picture-making, and how it diverges from traditional photography to open up new avenues for creative growth. The volume covers digital imaging, image capture and storage, basic and more advanced editing, digital printing and electronic publishing and more. For amateur and professional photographers.
