Et tu, Vampire?

In the third installment of The Black Knight Chronicles, vampire private investigators Jimmy Black and Greg Knightwood discover they may be tied to a string of serial killings at the college and that they suddenly aren't the only vampire game in town.

The vampire count in Charlotte is at least three. Or more. As far as the unhappy boys are concerned, anything more than two is a crowd not to be tolerated.

While tracking down the killer and the competition, they encounter coeds, booby traps (not related to the coeds), and a hirsute bounty hunter with a moon fetish and a bad attitude. To catch the killer, Jimmy will have to survive a dive headfirst into the great unwashed horde of Dorkdom (game night at the local comic shop).

What's a red-blood drinking vampire to do? His job. Again.
