Although little studied in the West, Nikolai Semenovich Leskov (1831-95) is accorded a place among major nineteenth-century writers in his native Russia. Irmhild Christina Sperrle's *The Organic Worldview of Nikolai Leskov* draws on previously unavailable archival and primary sources to offer English-speaking readers the opportunity to appreciate the work of this neglected author. Leskov remarked to his contemporary Anatolii Faresov, 'People talk about my 'language,' about its colorfulness and its national traits; about the richness of my plots, about my condensed way of writing, about 'similarity' and so on, but they do not notice the most important thing. It is this most important thing, Leskov's consistent thematic adherence to an organic philosophical model, that Sperrle traces and elaborates here. Focusing on movement and transformation in an organic manner - a manner in which death and rebirth alternate and condition each other - Sperrle develops Leskov's notion of organicity and explores his relationship to the organic tradition in philosophy and literature. Her reading of key texts among his more than five hundred works entails a close look at Leskov's ideas about th
