The Star By My Head: Poets from Sweden (Poets in the World)

The Star By My Head: Poets from Sweden (Poets in the World)

Published in partnership with the Poetry Foundation, *The Star By My Head* is a breathtaking anthology of poems featuring eight of Sweden's most highly regarded poets, including Nobel Prize winner Tomas Tranströmer.

From Edith Södergran to Gunnar Ekelöf to Nobel Prize-winning Tomas Tranströmer, Sweden has long been home to a rich and luminous poetic tradition, notable for refreshing openness, striking honesty, and a rare transcendence that seems to spring from a keen attention to the natural world. With poems that span from the beginnings of Modernism to present day, *The Star By My Head: Eight Swedish Poets* is an essential bilingual volume that offers stark, exquisite translations by internationally acclaimed poets and translators Malena Mörling and Jonas Ellerström. Published in partnership with the Poetry Foundation, *The Star By My Head* is the premiere American anthology of 20th- and 21st-century Swedish poetry in English translation.

The book was written by the very famous author. The writer makes some research just before write this book. This particular book very easy to read you can obtain the point easily after looking over this book.

Joshua Allen:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Star By My Head: Poets from Sweden (Poets in the World) can make you really feel more interested to read.
