"You're Gonna Like The Way You Win" is a candid report on how Charlie G. plays and wins. Whether or not you play the same as he does is up to you. If you do, you too will win. The strategies herein are certainly not the only ways to win but they stand as being the most reliable ways to win. The elements of chance and error that befall most methods are non-existent in these strategies. These pages methodically walk you through each of the four more popular games in the casino, Blackjack, Baccarat, Roulette and Craps. You will not only have learned how to win at each of these games but will have settled into a new approach to gambling totally different from that which you have ever used before. This new way of attacking the casinos is unique only to Charlie G.'s approach to casino gambling. "You're Gonna Like The Way You Win" is designed to make you win and you will.
