## 'Zine (Pagan Kennedy Project) Pagan Kennedy

Back in print for the first time in a decade, this is the hilarious autobiography of a pioneer of the 1990s zine movement. A young woman named Pagan, having just graduated from a writing program at a very prestigious university, is left with a single burning question: Now what? She then takes an unusual step by deciding to invent her new self-the one the public will know-by starting her own magazine, one that will be written, created, and star none other than herself.
