Afghan Bound Henry Morgan

Involved in voluntary medical work abroad, David Harper finds himself caught up in the Afghanistan war. His adventures there bring him in close contact with the cruel torture of prisoners.

Escaping death by inches he finds himself in Pakistan where he witnesses captured slaves displayed for pleasure in a nightclub and learns that, properly trained, women can find immense pleasure too.

Returning to England he is introduced to some submissive women and sells his share in a medical practice to create a training centre. All is going well--until a woman turns the tables on him.
