## Baby's Own Book - Girl

We have published for several years a baby record book called Baby Days, and continue to do so. With this new publication we expand our baby related offerings with a less elaborate and less expensive, but no less attractive baby record book. We have included the customary milestones and information--first bath, measurements, first birthday, favorite toys, etc. The book is handsomely illustrated; included are luminaries such as Blanche Fisher Wright, Anne Anderson and Guy Hoff, as well as some lesser known artists, Busy new parents will appreciate that this baby record book is less of a chore to complete than many more complex offerings of this type, yet still a lovely keepsake. A unique feature of both Baby's Own Book and our other new baby title, Welcome Baby, is that it is available in two versions in which the cover and decorative elements are either pink or blue. This adds another element of personalization that we hope will please buyers and recipients alike.
