Hallie has a secret...doesn't everybody?

Hallie doesn't have long to live. And to make things even more complicated, she's in love with a guy who's seriously out of bounds. She's never going to let him know, of course; she's just going to enjoy every remaining moment of her crush. She's also determined to spend her last months helping those who write into her Dear Rose column with problems of their own. Her doctors can't fix her, but maybe she can fix a few other people's dilemmas before it's too late.

All our lives are full of choices, for better or worse. The amazing thing to see is how connected we all are in ways we don't even know. On occasion, we have the chance to see the ways we change one another's lives for the better.
