From Voices for the Earth: "When one mentions the wonders of the Colorado Plateau almost anywhere in the United States, one or more of your companions may suddenly seem to square their shoulders, to stand a little taller. They may get a certain look in their eyes, a fierceness even. You will know they are among those who have been there, and who insist this unique and inspiring country remains protected. Through the Southern Utah Wilderness Alliance, Sierra Club, The Wilderness Society, The Grand Canyon Coalition, or others, they may sue and sue again to thwart those who seek to despoil these lands in any significant measure. Terry Tempest Williams calls them 'Coyote, a dance upon the desert.'"
