## **Hired: An Insider's Guide to Mastering the Modern Job Market** Michael B. Junge

The average job seeker spends dozens or hundreds of hours searching and applying for relevant listings - and is lucky to receive even a handful of responses from interested employers. Others call a few friends and update an online profile or two, and magically the phone starts ringing. Have you ever wondered what these "lucky" people are doing differently? Or what it is about a given resume that compels interview request after interview request? Are you interested in learning the insider secrets of staffing pros, and discovering how YOU can apply them through every stage of the hiring process? If you're ready to attract more attention from motivated employers - and still deliver better-than-expected results - then you've come to the right place. Managers, critics, and industry experts agree...HIRED is "the best job seeker and career book in decades," "the right book at the right time," and "a powerful, practical, and entertaining read." Grab your copy of HIRED today, and get ready for the ride of your professional life.
