Holodynamics: How to Develop and Manage Your Personal Power V. Vernon Woolf

In a conscious holographic universe where everything and everyone and everywhen are connected, and all life forms have a built-in order by which they grow and unfold their potential, Dr. Woolf shows in easy-to-understand language, how each person can access their personal source of power and transform their lives and help with the lives of others around them. This book uses new information from the best of science and shows you how to apply this information to find the solution to the problems we face in everyday life. It's about how to get real and deal in this world where every problem is caused by its solution.
