Learn to meet the unique needs of diverse students and implement techniques to enhance learning and differentiate instruction. New teachers and seasoned educators will appreciate the current, research-based best practices and practical applications designed to help teachers implement effective instructional strategies in today's increasingly diverse classrooms. Each chapter in this book covers a different strategy including a definition, why each should be used, and ideas for use.

### **About Shell Education**

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
