Today, the world as you know it will end. No need to turn off the lights. Your car suddenly stalls and won't restart. You can't call for help because your cell phone is dead. Everyone around you is having the same problem . . . and it's just the tip of the iceberg. Your city is in a blackout. Communication is cut off. Hospital equipment won't operate. And airplanes are falling from the sky. Is it a terrorist attack . . . or something far worse? In the face of a crisis that sweeps an entire high-tech planet back to the age before electricity, your family faces a choice. Will you hoard your possessions to survive---or trust God to provide as you offer your resources and your hearts to others? Yesterday's world is gone. Now all you've got is your family and community. You stand or fall together. Like never before, you must rely on each other. But one of you is a killer. #1 bestselling suspense author Terri Blackstock weaves a masterful what-if novel in which global catastrophe reveals the darkness in human hearts---and lights the way to restoration for a self-centered world. Last Light is the first book in an exciting new series.
