**Matter and How It Changes (Building Blocks of Physical Science/Soft Cover)** Joseph Midthun

This graphic nonfiction book introduces the physical and chemical changes of matter. Each of the ten Building Blocks of Physical Science volumes features a whimsical character to guide the reader through a physical science topic. The science is as sound as the presentation is fun! The volumes include a glossary, an additional resource list, and an index. Several spreads in each volume are illustrated with photographs to help clarify concepts and facts.
