A unique hardcover picture book for two to five year olds, this is the story of a lovely little girl who is nervous about many things. Noni finds a way to control her nerves and work through her anxiety, making life much more bearable for everyone!

Noni is nervous about playdates, and global warming, and most of all, about the first day of school. Her parents are worried too, and even her brother is a little wary. But Noni finds a friend, someone a little more outgoing than herself, and discovers that through friendship, she can belong and succeed in a world that once filled her with dread. The story is a universal one about the power of friendship and belonging, delightfully illustrated by award-winning illustrator Genevieve Cote.
