Read about justice in everyday practice; austerity across the world and how it affects people's lives; the impact of neoliberalism on health systems; eco-social occupational therapy; evaluation in community-based practice and many more in the new edition of Occupational Therapies without Borders, edited by Dikaios Sakellariou and Nick Pollard! A thought-provoking book, with 67 chapters and 150 authors from all over the world writing about the social and political aspects of occupation. This book aims to inspire occupational therapy students and practitioners to include transformational elements into their practice.

The new edition of this landmark international work builds on the previous two volumes, offering a window onto occupational therapy practice, theory and ideas in different cultures and geographies. It emphasizes the importance of critically deconstructing and engaging with the broader context of occupation, particularly around how occupational injustices are shaped through political, economic and historical factors.

En castellano

La nueva edición de Terapias Ocupacional sin Fronteras (Occupational therapies without borders; Integrating justice with practice) está lista! Un libro verdaderamente internacional, con 67 capítulos escritos por 150 terapeutas desde todos continentes, salvo la Antártica.

Con capítulos desde Colombia, Brasil, Chile, Argentina, España, Estados Unidos, Grecia, Australia, y Japón entre muchos otros países, este libro se trata de la importancia de justicia en la práctica y la filosofía de terapia ocupacional; el impacto de neoliberalismo en la vida cotidiana; los derechos humanos, incluso ocupacionales; y la responsabilidad moral de los profesionales, entre muchas otras temáticas.
