People of the Body: Jews and Judaism from an Embodied Perspective (Sunny Series, the Body in Culture, History, and Religion)

People of the Body: Jews and Judaism from an Embodied Perspective (Sunny Series, the Body in Culture, History, and Religion)

By shifting attention from the image of Jews as a textual community to the ways Jews understand and manage their bodies for example, to their concerns with reproduction and sexuality, menstruation and childbirth this volume contributes to a revisioning of what Jews and Judaism are and have been. The project of re-membering the Jewish body has both historical and constructive motivations. As a constructive project, this book describes, renews, and participates in the complex and ongoing modern discussion about the nature of Jewish bodies and the place of bodies in Judaism."
