*Sociology: A Brief Introduction* invites students to take sociology with them in their daily lives. This successful franchise includes strong coverage of race, ethnicity, and globalization. Paired with a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them.

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
