## **A Complete Guide to Float Hunting Alaska, 2nd Edition** Larry Bartlett

The 2nd Edition of Float Hunting Alaska surpasses the first by offering everything the hunter needs to thoroughly research and execute an well-planned Alaska river hunt. This book covers all of that in the first edition, but with more photographs of successful float trips and further coverage of important issues, such as river hazards, air charters, meat care in the field, and advanced hunting techniques that have allowed success rates to soar for many hunters. There may come a day when additional books are written on Float Hunting Alaska, but Larry Bartlett was the first to deliver top-notch coverage on this widely popular hunting style.
