## **CEO - in - Training** Jenny Rae Le Roux

From “What is consulting?” to preparing for your first day, this is the ultimate overview of the consulting industry

Consulting is mysterious – top firms like Bain, BCG, and McKinsey are highly respected, and completing a rigorous 2-year management training program sets graduates on the fast track to becoming a future multinational CEO, leader of a major non-profit or director of a disruptive startup.

But how do consulting firms take an average student and make them into CEO material? Insider insights from the secretive industry are murky and questions abound. What do consultants really do all day long? Is consulting a good fit for your skills? How does consulting compare to other jobs? How do you get your foot in the door?

CEO-in-Training is a complete practical toolkit to give you an insider’s view into what consulting really entails: the pros, the cons, how-tos, and everything in between.

Included in this book:

- Management consulting vs. finance
- Networking tips
- Consulting resume and cover letters
- Keys to acing consulting interviews
- Insights on the lifestyle of a consultant
- A consulting lingo dictionary

Packed with real life anecdotes and insider tips on how to break in, stay in and get ahead, we show you consulting as it really is. Success in consulting is not for the weak of heart – so read this to get a glimpse of what it takes to be one; see if you are ready for life as a consultant.
