Everyone has an addiction...what's yours? Mena Austin is a certified paper chaser who knows no boundaries when it comes to money, especially the counterfeit kind. Just when her boyfriend Trick thinks he's got something unique and profitable going on, Mena slips in and betrays him leaving everything behind. Things get crazy, but Mena finds herself on top and in the arms of someone who means her no good. Thousands of dollars are being made and eventually Mena seems to have everything she's ever wanted. However, her empire is threatened when her ex-boyfriend, Trick, wants his operation back and will stop at nothing until he gets the ultimate revenge. When old friends turn into enemies and greed calls, Mena won't know who to trust. Money Maker will give an eye-opening glimpse into the world of counterfeiting and into a battle where winner takes all. They say money is the root of all evil, but in this case it may be the cause of death.
