Sultana's Legacy: A Novel of Moorish Spain Lisa J. Yarde

Book #2 of the *Sultana* series. In thirteenth-century Moorish Spain, the Sultanate of Granada faces a bleak future, as a tyrant seizes control. Fatima, the daughter of a Sultan, and her devoted husband Faraj have enjoyed years of peace and prosperity. Now, a power-hungry madman claims the throne. He murders almost everyone Fatima holds dear. His reign fractures a weakened Sultanate, under siege from Christian kingdoms to the north and Moorish dynasties in the south. Fatima must preserve the legacy of her forefathers at all costs. She risks everything, even the love and trust of her husband. Amidst treachery and intrigue, she stands alone against her adversaries, determined to avenge terrible losses. Can she survive the test of divided loyalties and shocking betrayals?

Snippet:

"Fatima, hear me in this. I should have trusted in you and your instincts about your brother. You have never led me astray before. Now I pray Allah, the Compassionate, the Merciful, may bless you with the knowledge I did not possess. Have the courage to see your loved ones as they are, not as you would wish them to be. Be strong, my daughter, in the days of trial."

He sighed and smiled, but it was a sad, empty gesture. Then he pressed his forehead to hers. "It should have been you, my Fatima. You should have been my firstborn and a male. What a formidable Sultan you would have made! I charge you, my most precious and beloved child, with a sacred responsibility. It is yours until death. I bequeath the glory of our family name and require your defense of it. Guide and protect those whom we love. This is my last and best legacy, the duty to our family. Promise me you shall hold fast to it."

She blinked hard against her tears and embraced him once more. She buried her face in his familiar comfort.

"To the end and with my last breath, I shall honor you and our family always, blessed Father."
