The Decorated Home: Living with Style and Joy Meg Braff

In her first book, interior designer Meg Braff presents the building blocks of a pretty, polished home.

Everyone wants a house that is filled with grace and charm. Classic yet cheerful, Meg Braff's style has a formality that is never studied, an elegance that is approachable and pretty. In seven chapters that cover the basics of her look, Braff shares advice on creating rooms that are both livable and attractive. In the first two chapters, she explores the key elements of her look—color and pattern—and how to employ them for maximum impact in your home. She discusses the essential elements of stylish bedrooms (hint: bring back the dressing table), explores the fundamentals of inviting baths and breakfast rooms, and gives tips on making chic outdoor spaces. Finally, Braff explains the importance of finishing touches, the little extras that elevate a room's decor from good to great. All of her advice comes together in an overall theme of gracious living that will be warmly welcomed by readers looking to impart polish, color, and grace to their home.

Lushly illustrated with vivid images of Braff's lively work, *The Decorated Home* is an inspiring, idea-filled resource that readers will turn to again and again.

“Think Slim Aarons meets Technicolor elegance.”

—*Traditional Home*

From reader reviews:

Peter Hudson:

Have you spare time for the day? What do you do when you have far more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent their spare time to take a wander, shopping, or went to the particular Mall. How about open or maybe read a book allowed The Decorated Home: Living with Style and Joy? Maybe it is being best activity for you. You realize beside you can spend your time with the favorite's book, you can better than before. Do you agree with their opinion or you have additional opinion?

Michael Trejo:

What do you think of book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't would like do that. You must know how great in addition to important the book The Decorated Home: Living with Style and Joy. All type of book can you see on many options. You can look for the internet options or other social media.

Belen Riedel:

This The Decorated Home: Living with Style and Joy book is simply not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is definitely information inside this reserve incredible fresh, you will get info which is getting deeper an individual read a lot of information you will get. This particular The Decorated Home: Living with Style and Joy without we recognize teach the one who looking at it become critical in thinking and analyzing. Don't become worry The Decorated Home: Living with Style and Joy can bring once you are and not make your handbag space or bookshelves' turn into full because you can have it in the lovely laptop even cell phone. This The Decorated Home: Living with Style and Joy having excellent arrangement in word and layout, so you will not feel uninterested in reading.

Daniel Martin:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Decorated Home: Living with Style and Joy can make you sense more interested to read.
