Tired of relationships that could easily be replaced by a fresh set of batteries, six women decide to break out of their ruts and find a love that will meet all of their needs. Divorced Constance needs someone who will court her and treasure her. Davie needs someone who doesn't fear her love. Widowed Elaine needs a new dance partner. Hard working Kenzie needs someone who won't take her for granted. Artistic Heather needs somebody to remind her of the world beyond work. Engaged Aileen needs somebody far better than her drunken fiancé. Can a change of scene be what these women need?
