Chinese Herbal Formulas for Veterinarians is a companion volume to Chinese Medical Herbology and Pharmacology and Chinese Herbal Formulas and Applications. Chinese Herbal Formulas for Veterinarians integrates historical foundations of Chinese herbal medicine with contemporary research and clinical applications in veterinary medicine. While maintaining a firm focus on equipping today's Traditional Chinese Medicine professional for superior practice, the authors carefully combine perspectives on pharmacology, relevant research and clinical experience to provide a clear understanding for veterinarians who wish to integrate Chinese herbal medicine into their clinical practice. **OUTSTANDING FEATURES** Detailed traditional and veterinary uses, preparation, administration, dosages, combinations, cautions, contraindications and toxicology Comprehensive pharmacology of herbal medicinal formulas, with insights on concurrent uses of herbal formulas and pharmaceuticals Documentation from clinical studies and published research, as well as prepublication review contributions from over 140 academic, clinical, research and regulatory professionals **PLUS** Clinical experience and application of herbal formulas in veterinary practice Authors comments and case studies drawn from clinical experience Suggested acupuncture treatment to complement each herbal formula **BONUS** Profiles of the doctors without whom there would be no Chinese medicine: insights into the historical context and backgrounds of those famous individuals who shaped our understanding of disease patterns, treatment strategies and herbal formulas. This book is a Must Have for those who practice or are interested in veterinary applications of Chinese herbal medicine.

From reader reviews:

Terri Wiggins:

Many people spending their time by playing outside using friends, fun activity along with family or just watching TV all day long. You can have new activity to shell out your whole day by studying a book. Ugh, ya think reading a book really can hard because you have to accept the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Touch screen phone. Like Chinese Herbal Formulas For Veterinarians which is keeping the e-book version. So , try out this book? Let's see.

Becky Pope:

You can get this Chinese Herbal Formulas For Veterinarians by look at the bookstore or Mall. Merely viewing or reviewing it may to be your solve difficulty if you get difficulties for ones knowledge. Kinds of this e-book are various. Not only by means of written or printed but in addition can you enjoy this book simply by e-book. In the modern era just like now, you just looking by your local mobile phone and searching what your problem. Right now, choose your personal ways to get more information about your reserve. It is most important to arrange you to ultimately make your knowledge are still upgrade. Let's try to choose suitable ways for you.

Kimberly Langdon:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Chinese Herbal Formulas For Veterinarians can make you truly feel more interested to read.

Beth French:

What is your hobby? Have you heard which question when you got pupils? We believe that that problem was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person like reading or as examining become their hobby. You need to understand that reading is very important and also book as to be the matter. Book is important thing to incorporate you knowledge, except your personal teacher or lecturer. You get good news or update with regards to something by book. Amount types of books that can you go onto be your object. One of them are these claims Chinese Herbal Formulas For Veterinarians.
