The Spitfire and Her Four Gunslingers [Menage Amour: Erotic Western Menage Romance, M/F/M/M/M] Mike McClure is a pistol-packin' spitfire who has been named for the son her father never had. When her father died in a range war, she inherited his ranch. Instead of dresses with bloomers and corsets, she wears tight jeans with a six gun strapped to her hip. One day, a bleeding cowboy rides up to her house with a bullet in his shoulder. By the time she finds out that he is a notorious gunslinger, his whole gang is there. She has never seen such hot, sexy cowboys in her life, but she feels if she gives herself to them, it will be suicide. However, slowly Mike surrenders to their steamy seduction. Can her love tame all four men, or will they forever be a group of hard-riding gunslingers dodging bullets and running from the law? ** Wild Texas Heat [PolyAmour: Erotic Western Menage Romance, M/F/M/M/M] Lorraine Garvey, a beautiful but fiery Boston belle, learned that her father had been running a whorehouse he called a 'social club'. She came out west to sell it and was welcomed by Jude Bonner and four of the dirtiest--and the sexiest--wild bunch of cowboys she had ever seen. Afraid for her virtue, she put on her chastity belt to protect herself, but promptly took it off again when she couldn't resist their charms. So, she surrendered to countless nights of breathtaking kisses, erotic desires and dirty imaginings while surrounded by wild heat, sweaty bodies, and strong doses of cowboy sex. When it was time to go home, she was faced with a decision. Would she go back to stiff-necked Boston and lace up her low necks and naughty imagination, or stay in this wicked, untamed country where she was born and throw away her chastity belt? Note: There is no sexual relationship or touching for titillation between or among the men. ** A Siren Erotic Romance
