How to Measure Human Resource Management (3rd Edition)

Jac Fitz-enz, Barbara Davison

How to Measure Human Resource Management (3rd Edition) Jac Fitz-enz, Barbara Davison

Is it cost-effective to add staff in a given area? Does a training program have a positive impact on costs and sales? In this era of increasing cost and budget justification, HR managers are under increasing pressure to measure performance, defend their budgets against outsourcing, and even to justify their own existence. This text provides a quantifiable method for accurately measuring the productivity of all major personnel functions. This allows the HR manager to communicate with senior management in the quantitative business language senior management understands. It also helps HR Managers make tough decisions ranging from how many additional staff people to hire, and how much to spend on a training program.
