Leap & Hop Bali, Children Travel Book (Leap & Hop Series) Isabelle Demenge

Leap and Hop is a series of cultural travel books for children aged 8 and older by Isabelle Demenge and illustrated by Emilie Sarnel. The current destinations offered in the collection are: Bali, Cambodia, Hong Kong, India (Rajasthan), Paris and Sri Lanka. The idea of the series is to turn a grown-up trip into a fun adventure for children. These interactive books aim at getting children to discover a new country or a big city and learn about the local culture through interesting information as well as games and activities. For parents, the books provide an ideal way to stick to a grown-up itinerary with a focus on cultural sites, and to create an unforgettable travel experience for their children. As kids play along by drawing, writing, and collecting items of interest throughout the journey, they'll find themselves creating a very personal souvenir as the book is transformed into a travel scrapbook for them to keep. In addition to general information such as history, geography, currency, food, architecture, religious beliefs and traditions, Leap and Hop Bali will take the children to the main Balinese sites scattered across the island. The kids will be engaged as they explore the main temples such as Pura Besakih, the remains of the royal palace in Klungkung, visit the Monkey Forest, the Bird and Reptile Park, and other areas with fun and educational challenges that vary from place to place, such as scavenger hunts, I Spy games, quizzes, puzzles, and word searches. The next travel books will take your children to Myanmar and London.
