Guarding witnesses? All in a day's work for deputy U.S. marshal Carly Masterson. Protecting the judge who was indirectly responsible for her mentor's death? That's another story. Still, she won't let harm come to Judge Nicholas Floyd, or the niece and nephew in his care. She's determined to do the job right, and not let her emotions take over--no matter how wonderful it feels to be accepted by the little family. Can she let go of the past and learn to trust again before danger finds them once more?
