Indonesia is the largest island nation in the world, encompassing 17,000+ islands (Wouldn't you like to know who counted them?), each with its own unique culture. Indonesia has rain forests, at least 150 active volcanoes, tropical beaches, Orangutans, famous resort areas, home to mankind's last remaining frontiers, a haven for underwater enthusiasts, and then there's incredible Bali. Forget all the "Eat, Pray, Love" hype for Bali (on a sidenote, I hated the movie). Bali has been on everyone's list (from backpackers to luxury seekers) as the "go-to" destination for eons. Not surprising since the Island of Bali has activities that run the gamut. How about getting married at an Elephant Camp? Explore Ubud, the cultural, artistic, and spiritual heart of Bali? Dive, snorkel, learn to surf? Trek up Mount Batur or holy Mount Agung? Visit and gawk at incredible Balinese Temples (there is a reason why Bali is called the "Island of 10.000 Temples")? If that's not enough, wait until you see the miles of beach, bars, restaurants and nightlife lining Kuta, Legian and Seminyak beaches. And don't forget inexpensive shopping, or Indonesia's wonderful food. Let Travels With Sheila teach you how to Travel on a Budget, or go for broke, wallowing in luxury! Most importantly, let her ease your fears about languages, currencies, personal safety and staying healthy. This Fast & Easy Guide will tell the good and the bad as she sees it along with informative tips. **HERE'S SOME OF THE INFORMATION YOU'LL FIND INSIDE...** - Fast & Easy Basics for Visiting Bali and Indonesia. - What to See and Do in Bali. - How to Save Big Money!
