When I Was Young (Picture Books) James Dunbar

When I Was Young is a trip back in time through one young boy's family tree. The journey begins when seven-year-old Josh asks his Grandma Jenny about life when she was young. Her story leads back to her grandparents' story, which leads back to their grandparents' story, and so on--all the way back to England in 1664! Historically accurate illustrations accompany a simple text that brings history to life.
