**\*A Wall Street Journal Bestseller\***

Tired of the pace and noise of life near London and longing for a better place to raise their young children, Mary J. MacLeod (known to all as Julia) and her husband encountered their dream while vacationing on a remote island in the Scottish Hebrides. Enthralled by its windswept beauty, they soon were the proud owners of a near-derelict croft house—a farmer’s stone cottage—on “a small acre” of land. Mary assumed duties as the island’s district nurse. *Call the Nurse* is her account of the first enchanted years she and her family spent there, coming to know its folk as both patients and friends.

Gaelic fortitude meets a nurse’s compassion in these wonderful true stories from rural Scotland. The remarkable debut of an author now in her eighties, *Call the Nurse* is a treasure of sweet nostalgia.

Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
