These snake-hobbyists' favorites range in color from red through orange, yellow, brown, and gray. All are powerful constrictors, and are commonly found in the Western Hemisphere from southeastern Canada to Central America , as well as in Europe and Asia. This heavily illustrated book avoids technical language while offering sound advice and reliable information to current and soon-to-be pet owners. Written by animal specialists, veterinarians, and trainers, the titles in this series focus on pets of all kinds--different dog and cat breeds, birds, fish, reptiles, small animals, yard animals, and even exotic pets. All Pet Owner's Manuals are filled with high-quality photos and instructive line art.
