I Me Mine

I Me Mine George Harrison

Cherished by fans and collectors since its first publication in 1980, *I, Me, Mine* is now available in paperback. The closest we will come to George Harrison's autobiography, it features George in conversation with The Beatles' spokesperson Derek Taylor, discussing everything from early Beatlemania to his love of gardening. The lyrics to over 80 of his songs, many in his own hand, are accompanied by his uniquely intimate and humorous commentary. Fifty archival photographs of George with The Beatles and solo capture a journey of creative and spiritual transformation. Brimming with the wit, warmth, and grace that characterized his life, and with an introduction by his wife, Olivia, *I, Me, Mine* is a treasured portrait of George Harrison and his music.
