## **Angels: God's Heavenly Helpers** John William Swank

Everyone knows the term "angel," but few people can confidently describe what an angel actually is. This thoroughly researched, inspirational work tackles this issue by examining the fascinating world of angels. Author and Bible teacher John William Swank delves into the supernatural realm and asks some fundamental questions:

- What is an angel?
- Where are angels?
- How do angels impact our lives?
- What's the historic and practical significance of angels?

Rooted in biblical scripture and research, Swank reveals all the insights the Word of God has to offer on these little-understood spiritual creatures.

Relevant Scriptures are included in text so you don't have to go back and forth between the bible and the book while reading.

As easy to read as a novel but as informative as a textbook, *Angels* uses firsthand testimonials and the Bible to reveal the secrets of these celestial beings.

Follow Swank as he debunks common religious misconceptions, warns against the counterfeit promises of Satan, and shows you how angels positively impact your day-to-day life.

*Angels* is a must-read for all Christians looking to expand the understanding of their faith and live more completely through God's guidance.
