With it in your pocket, you can go to a completely unfamiliar area and realistically expect to catch fish. For those who can't afford to hire a professional or can't book one on short notice, this book is the next best thing." -Josh Olive Publisher, WaterLine Weekly Magazine "I've known Les and Kimball Beery for many years. They are accomplished anglers who really understand fishing. They've hit a home run with this book. They tell you where to fish, how to get there and how to fish it based on their countless years of research. The average angler can be successful with this book as their guide." -Capt.
