Fellow Workers With God: Orthodox Thinking on Theosis (Foundations) Norman Russell

Asked about the Orthodox doctrine of salvation, many people will say it has to do with theosis or deification, yet few can explain what theosis actually means. Norman Russell builds on his magisterial study, *The Doctrine of Deification in the Greek Patristic Tradition*, to present this complex teaching of the Fathers with uncompromising scholarship and welcome clarity. The book will interest specialists and non-specialists alike.
