In the Light of a Blessed Tree: Illuminations of Islamic Belief, Practice, and History

Timothy J. Gianotti

In the Light of a Blessed Tree: Illuminations of Islamic Belief, Practice, and History Timothy J. Gianotti
In the light of A Blessed Tree presents an absolutely original, experientially textured introduction to Islamic belief, practice, and history for both the intrigued newcomer as well as for those who already possess some basic literacy in Islam. Slowly crafted over the years following the terror attacks of September 11, 2001, this modest book speaks with scholarly integrity but in an everyday voice, full of real-life narratives that "illuminate" the beliefs, practices, and histories described. More, it brings the reader in touch with the psychological, social, and cultural forces that shape the way we come to the question of Islam in a wounded world, still grappling with the trauma of 9/11 and very much still in a state of war. For these and other reasons, In the Light of a Blessed Tree speaks to contemporary images and realities, even as it walks through the ancient origins of Islam.
