In this delightful love letter to a growing child, Linda Ashman and You Byun celebrate the magic of those fleeting days of early childhood. Their lively read-aloud shows the delight to be found in the world of a toddler. Every day brings new milestones and adventure—and little Buttercup is eager to reach out and experience it all, while her mother is always eager to reach out with a hug. Rhyming text captures a mother and baby's joy in their shared time, and charming paintings make all the moments—both quiet and boisterous—shine.
