Describes over 250 sites in detail & many more in passing, from Turkey to Thailand & India to Indonesia. It answers crucial questions before you go: Where can I see birds that epitomize the continent? Which country supports the best cross-section of species & the most endemics, & how many sites do I need to visit to see most of them? How long do I need, & when is the best time to go? The layout of the book is practical, with countries, archipelagos & islands treated alphabetically. General introductions to each country are followed by site details, which include bird lists under the headings Endemics , Specialties , & Others , a list of other wildlife, if applicable, & info. on where to look for the best birds. Over 100 maps & 51 line drawings.
