World Atlas of Golf: The Greatest Courses and How They Are Played

World Atlas of Golf: The Greatest Courses and How They Are Played

A guide to some of the world's greatest golf courses with narratives on how they were created, this book explores the science and history of golf course construction. It features 70 of the most famous holes and the players who have played on them throughout the years. The gazetteer section that complements the book gives maps, course cards and descriptions of a further 100 outstanding courses throughout the world.
