This book is built upon a various amount of questions that were asked to different women from several nationalities around the world. Most of these questions were repeated, sometimes with slight differences, to analyze trends in behaviors. But, generally speaking, the conversations were selected in order to give an overview on how most women, and especially beautiful women, think. This research, and the notes below every interaction, will allow you to see more clearly into the female mind and know why women behave in certain ways.
