Many of the church leaders we talk to are seeking an escape from the not-so-simple life. // "Relax. This book is not about another church model. If you are a church leader, you have been exposed to plenty of models, and most of them are on your shelf. Or worse, you have blended a bunch of models into one schizophrenic plan. If that is the case, neither you nor the people in your church are really sure what your church is all about. We see it all the time. // But go ahead, let down your guard. No new program is going to be pushed here. There will be nothing new to add to your calendar. If anything, you will be encouraged to eliminate some things, to streamline. This book will help you design a simple process of discipleship in your church. It will help you implement the model you have chosen. It will help you simplify."
