Trump Tower

Jeffrey Robinson

Trump Tower Jeffrey Robinson

At Trump Tower--the iconic Manhattan building on the corner of 56th Street and Fifth Avenue--there exists a world of luxury, glamor, sex, lust, and naked power.

But at Trump Tower, nothing is quite what it seems to be.

Move in and meet your neighbors:

The "garbage" traders who are willing to do business with South American money brokers; the power couple, a TV anchor and her broker husband, for whom sex is sometimes an elaborate game; the Hollywood agent who is plotting to own the world; the British rock star under house arrest who sends out for good times, sex, and rock n' roll; the model with one of the most famous faces in the world who just happens to be kept by two men who don't know of each others existence; the Broadway star who is banned from the building; one of the richest men in the world who believes his innocent daughter is still innocent; the business owner who is being forced out by someone who wants her business; the mysterious and venomous woman who wants to build an indoor tropical rainforest; the assistant to the Director of Operations who is willing to do anything to get the General Manager's job; and Pierre Belasco, the General Manager and ringmaster of Trump Tower whose job is "ultimate discretion."

In the great tradition of Arthur Hailey, Harold Robbins, *Dynasty*, and *Dallas* comes Jeffrey Robinson's *Trump Tower*, where everyone's life is a drama.

Leave your modesty downstairs. *Trump Tower* is the sexiest novel of the decade.
