## Ando: Complete Works 1975-2014

### The Tadao touch: Ando's complete works to date 1975-2014

Philippe Starck describes him as a “mystic in a country which is no longer mystic.” Philip Drew calls his buildings “land art” as they “struggle to emerge from the earth.” He is the **only architect to have won the discipline's four most prestigious prizes**: the Pritzker, Carlsberg, Praemium Imperiale, and Kyoto Prize.

This thoroughly **updated 2014 edition of the Ando monograph** celebrates the completely unique aesthetic of one of the world's most acclaimed architects. Spanning his entire career, including such stunning new projects as the **Hansol Museum in South Korea and Teatrino in Venice, Italy**, it explores his **unprecedented use of concrete, wood, water, light, space, and natural forms**. A testimony to the diversity and global reach of the Ando touch, featured designs include award-winning private homes, churches, museums, apartment complexes, and cultural spaces throughout Japan, as well as in France, Italy, Spain, and the USA.

Text in English, French, and German
